## **On Apology** Aaron Lazare

One of the most profound interactions that can occur between people, apologies have the power to heal humiliations, free the mind from deep-seated guilt, remove the desire for vengeance, and ultimately restore broken relationships. With *On Apology*, Aaron Lazare offers an eye-opening analysis of this vital interaction, illuminating an often hidden corner of the human heart.

He discusses the importance of shame, guilt, and humiliation, the initial reluctance to apologize, the simplicity of the act of apologizing, the spontaneous generosity and forgiveness on the part of the offended, the transfer of power and respect between two parties, and much more. Readers will not only find a wealth of insight that they can apply to their own lives, but also a deeper understanding of national and international conflicts and how we might resolve them.

The act of apologizing is quite simply immensely fulfilling. *On Apology* opens a window onto this common occurrence to reveal the feelings and actions at the heart of this profound interaction.
