Holmes of the Raj

Vithal Rajan

Holmes of the Raj Vithal Rajan

It is 1888. As Central Asia reels under the intrigues of the Great Game, Sherlock Holmes and Dr Watson sail to India on a secret mission in the service of Empire. The accountant of a Hindu monastery has been brutally murdered, and the head priest is the prime suspect. But as both detective and doctor soon discover, their Indian autumn has only just begun. They are plunged into a series of adventures that take them from Madras and Pondicherry to the princely courts of Hyderabad, the uncharted jungles of the Central Provinces, pine-scented Nainital, and the bustling metropolis of Calcutta. Even as Holmes unravels sinister plots, Watson busies himself helping Ronald Ross track the malaria parasite and advising a schoolboy called Dhyan Chand on the finer points of hockey.

The six stories in *Holmes of the Raj* are delightful vignettes of life and politics in colonial India. Vithal Rajan breathes life into historical characters, as Holmes and Watson meet Lord Ripon, Madame Blavatsky, Francis Younghusband, Kipling and Kim himself, Vivekananda, Aurobindo, Ramanujan, Motilal Nehru, Tagore, Jinnah, and many, many others. Sprightly, colourful, and remarkably faithful to Conan Doyle, this is an unforgettable collection.
