## **Letters of Light** William G. Gray, Alan Richardson

As an "omniscient and obnoxious" teenager in 1969, Alan Richardson wrote to the occult author William G. Gray in pursuit of instant magical enlightenment. While he didn't quite get that, it was the beginning of a correspondence lasting many years in which Gray generously shared his magical knowledge and experience. Gray's letters, witty, ascerbic and blunt, contain a wealth of hints and tips on working and using Qabalah, his views on Dion Fortune, sex magic, initiation, joining magical groups, and how to stay on the straight and true path to Light regardless of what life flings at you. How does free-will relate to Destiny? Why do many great Adepts behave like idiots if they're in contact with Higher Powers? Is sex incompatible with a spiritual path? He addresses the questions which weigh on the mind of every magical seeker - always with the proviso that true wisdom can only be reached from within oneself. The letters are a delight to read and show the humour and understanding which shine through Gray's famously unsentimental character. They will be of direct practical value to anyone pursuing a magical path of any kind, Qabalistic or otherwise, and his advice to his young apprentice is every bit as pertinent today as it was back then.
