Going Vintage

Lindsey Leavitt

Going Vintage Lindsey Leavitt

When Mallory discovers that her boyfriend, Jeremy, is cheating on her with an online girlfriend, she swears off boys. She also swears off modern technology. Inspired by a list of goals her grandmother made in 1962, Mallory decides to "go vintage" and return to a simpler time (when boyfriends couldn't cheat on you *online*). She sets out to complete grandma's list: run for pep club secretary, host a dinner party, sew a homecoming dress, find a steady, do something dangerous. But the list is trickier than it looks. And obviously finding a steady is out . . . no matter how good Oliver (Jeremy's cousin) smells. But with the help of her sister, she'll get it done. Somehow.

Lindsey Leavitt perfectly pairs heartfelt family moments, laugh-out-loud humor, and a little bit of romance in this delightful contemporary novel.

From reader reviews:

Michael Colburn:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each book has different aim or maybe goal; it means that guide has different type. Some people truly feel enjoy to spend their time to read a book. They are reading whatever they have because their hobby will be reading a book. Why not the person who don't like reading through a book? Sometime, individual feel need book after they found difficult problem or even exercise. Well, probably you will require this Going Vintage.

Lester Jaworski:

The event that you get from Going Vintage is the more deep you digging the information that hide in the words the more you get enthusiastic about reading it. It does not mean that this book is hard to know but Going Vintage giving you thrill feeling of reading. The author conveys their point in specific way that can be understood simply by anyone who read that because the author of this guide is well-known enough. That book also makes your own vocabulary increase well. That makes it easy to understand then can go to you, both in printed or e-book style are available. We recommend you for having this Going Vintage instantly.

Katie Grossi:

This Going Vintage is great reserve for you because the content that is full of information for you who all always deal with world and get to make decision every minute. This kind of book reveal it info accurately using great plan word or we can point out no rambling sentences inside it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having Going Vintage in your hand like having the world in your arm, facts in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen small right but this book already do that. So , this is good reading book. Hi Mr. and Mrs. active do you still doubt in which?

Carolyn Ziolkowski:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Going Vintage can make you really feel more interested to read.
