The Crown of Kuros : An Allegory (The Terrestria Chronicles, Book 4) Ed Dunlop

Travel back in time to the kingdom of Terrestria, a land where knights and their ladies live in castles and where dragons still roam (occasionally). The Terrestria Chronicles allegory series was written with a three-fold purpose: to honor Jesus Christ as King, to challenge young readers to love and serve Him, and to teach them to guard their hearts for Him. The focus of the series is always on the King. This is not Narnia; this is not Lord of the Rings. The Terrestria Chronicles were written to honor Christ and be as true to Scripture as possible. Some readers have compared the Terrestria books to The Pilgrim's Progress, though this series is much more readable, relevant, and action-packed than Bunyan's classic work. Written for ages ten and up, the Terrestria series is ideal for family devotions, classroom use, or individual enjoyment. The Castle of Faith is in an uproar when the priceless Crown of Kuros is stolen in broad daylight from the castle keep. All evidence points to Morphina, a wicked enchantress who can transform herself to appear as any animal or person. Prince Josiah, Prince Selwyn, and the other knights of the castle engage in a quest to find the crown before it falls into the hands of Argamor. But Josiah alone can recover the crown, and to do so he must engage in an impossible battle. This fourth adventure, the very heart of the Terrestria allegory series, will cause the reader to ponder a royal question that no one else can answer
