The Marks of Cain: A Novel Tom Knox

An audacious and terrifying new thriller from the author of the international bestseller *The Genesis Secret*.

When David Martinez receives an ancient map from his dying grandfather, he is led into the heart of the Basque mountains, where a genetic curse lies buried- and a frightening secret about the Western world is hidden. Meanwhile, London journalist Simon Quinn is investigating two violent murders. Both victims had once been interned in a top-secret Nazi camp-and both came from the Basque region.

With *The Marks of Cain*, Tom Knox (*The Lost Goddess*) delivers on the promise of his astonishing debut novel, crafting a terrifying and even more ambitious thriller that delves into the shocking truth of what drives human beings to violence, genocide, and war.
