What Photography Is

James Elkins

What Photography Is James Elkins

In *What Photography Is*, James Elkins examines the strange and alluring power of photography in the same provocative and evocative manner as he explored oil painting in his best-selling *What Painting Is*. In the course of an extended imaginary dialogue with Roland Barthes's *Camera Lucida*, Elkins argues that photography is also about meaninglessness--its apparently endless capacity to show us things that we do not want or need to see--and also about pain, because extremely powerful images can sear permanently into our consciousness. Extensively illustrated with a surprising range of images, the book demonstrates that what makes photography uniquely powerful is its ability to express the difficulty--physical, psychological, emotional, and aesthetic--of the act of seeing.

From reader reviews:

John Loya:

What do you ponder on book? It is just for students as they are still students or the item for all people in the world, exactly what the best subject for that? Just you can be answered for that concern above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't want do that. You must know how great and also important the book What Photography Is. All type of book are you able to see on many methods. You can look for the internet options or other social media.

Lorraine Joyner:

Information is provisions for anyone to get better life, information today can get by anyone from everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is inside former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take What Photography Is as the daily resource information.

Karl Wolfe:

People live in this new day of lifestyle always aim to and must have the spare time or they will get large amount of stress from both daily life and work. So , once we ask do people have extra time, we will say absolutely yes. People is human not really a robot. Then we consult again, what kind of activity are there when the spare time coming to you actually of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the particular book you have read is What Photography Is.

Valerie Beauchamp:

Do you have something that you want such as book? The book lovers usually prefer to choose book like comic, brief story and the biggest an example may be novel. Now, why not trying What Photography Is that give your enjoyment preference will be satisfied by means of reading this book. Reading addiction all over the world can be said as the opportunity for people to know world better then how they react towards the world. It can't be stated constantly that reading habit only for the geeky particular person but for all of you who wants to end up being success person. So , for all of you who want to start reading as your good habit, you can pick What Photography Is become your personal starter.
