BTMOM Game Aid (for Beyond the Mountains of Madness, Call of Cthulhu) C. Engan A Companion to the Epic Antarctic Campaign

Beyond the Mountains of Madness is a massive book including considerable source material on the Frozen Continent, the equipment of the time, and even expedition planning.

This game aid excerpts all of the appendices from BTMOM including Timelines, Antarctica Manual, Deep Background, Game Logistics, Game Statistics & Rosters, Vehicles, and all Handouts, plus includes the Table of Contents and Index for the entire *Beyond the Mountains of Madness* campaign.

As an added bonus, we included COLOR HANDOUTS originally appearing only in the *Miskatonic University Expedition Pack* (long sold out) as the cover of this game aid, including DOCK PASSES for the SS *Gabrielle*, a POSTCARD of the ship, a copy of the EXPEDITION PATCH (alas, in cardboard), and a reproduction of the KEEPER SKETCH MAP of Antarctica (seen above, right).

WHY THIS BOOK?

Much of the material included here will be learned by your players' investigators during the course of the game. Rather than cutting-up your soft- or hard-cover copy of *Beyond the Mountains of Madness*, have your way with this book, instead. A little care, a straight edge, a steady hand, and a sharp blade will separate spine glue from the pages to result in nifty handouts. Cut apart the cover pieces as you see fit (there are four Dock Passes). We offer this as a convenience for you and your players.

NOTE: This is NOT A STAND-ALONE PRODUCT. This is a companion to *Beyond the Mountains of Madness*; you will need a copy of that book to fully enjoy this item.

ALSO NOTE: The page numbers of this book do not begin at 1. We have retained all page numbers from the *Beyond the Mountains of Madness* book. This product constitutes the latter, roughly, 150 pages of the 440-page campaign.
