La solución del 10% (Spanish Edition) Osho

Las enfermedades le ocurren al hombre, pero el hombre es, en si mismo, una enfermedad. Esta es su buena fortuna y tambien su infortunio. Y esta ha sido la condicion que le ha impulsado a su desarrollo, a su evolucion, porque enfermedad significa que no podemos ser felices con lo que somos, que uno no puede aceptar lo que es. Dos metodos han sido utilizados para entender y sanar la enfermedad llamada hombre: una es la medicina, la otra es la meditacion. Ambos son tratamientos para una misma enfermedad, la medicina trata de sanar al individuo desde afuera, la meditacion trata de mantener sano al ser interno de la persona. Ni la ciencia de la meditacion puede estar completa sin la medicina, ni la ciencia de la medicina esta completa sin la meditacion, puesto que el hombre es cuerpo y espiritu.
