By the author of *The Woman Who Heard Color...*

In her quest to discover a medieval treasure, curator Alex Pellier visits a convent in Lyon, but its storehouse of items dating back to the thirteenth century turns up little. Then, Alex discovers a centuries-old poem and sketches. These suggest to her that there may be a seventh, yet undiscovered tapestry in the world-renowned Lady and the Unicorn series.

Now a journey of mystery begins that could lead Alex to a career-making find--and to the man she thought she had lost forever.
