Here is a treasury of favorite and little known tales from Africa, Asia, Europe, the Americas, Australia, and Oceania, gracefully retold and accompanied by fascinating, detailed information of their historic and cultural backgrounds. The introduction provides an informative overview of folklore, its purpose in world cultures and in contemporary society and popular culture. Following this, the main sections of the book are arranged by tale type, covering wonder tales, hero tales, tales of kindness repaid and hope and redemption, and finally tales of fools and wise people.
