Orozco's stories portray, in impressionistic, and dreamy language, a childhood spent in a small town on the Argentine pampa.

“This is a gem of a collection of Olga Orozco stories, beautifully rendered into English. This wise selection of stories reveals Orozco's lyrical as well as mysterious prose. The translators provide an excellent introduction to Orozco's haunting and illuminating saga of childhood on the Argentine pampa.”

— Marjorie Agosin, Wellesley College

“A *Talisman in the Darkness* presents, for the first time in English, the spell-binding short stories of Olga Orozco (1920-1999), the Argentine surrealist poet, astrologer, and student of Gnosticism. The stories reconstruct scenes from a childhood on the pampas while drawing the reader into an intensely paradoxical universe of mysterious signs and omens, alternately enchanting and unnerving. At the core of the narratives is a girl child who, through episodes of unsought illumination, encounters for the first time aspects of both the visible and the hidden worlds.”

—Naomi Lindstrom
