Award-winning designer Charles Gandy creates an amazingly informative guide to the ABCs of interior decorating. Through beautifully photographed homes in a variety of styles, this very basic reference presents the fundamentals of design, such as line, rhythm, scale, shape, form, pattern, and proportion. There's advice on setting the stage and establishing an overall mood through light and color, as well as floor, wall, ceiling, door, and window choices. Fabric, furniture, and other embellishments receive their own special section, and a room-by-room tour covers everything from entry halls to home libraries. For a final touch, Gandy discusses the WOW factor: the elusive quality that makes a space extra-special. *A Selection of the Homestyle Book Club.*
