Modern Vintage Style Emily Chalmers

In **Modern Vintage Style**, Emily Chalmers - interiors stylist and owner of hip boutique Caravan - shows how using vintage items in a contemporary context can introduce humour, flair and personality to a home. Decorating should be fun and inspiring, so there are no style diktats; no 'this-must-go-with-that'. Modern vintage is all about trusting your instincts and taste and using a bit of imagination in seeking out the right items to create a perfect balance of old and new. In the first section of the book, **Inspirations**, Emily offers up imaginative and varied examples of furniture, lighting, textiles, decorating and collections & display. In the second section, **Style**, she shows you exactly how to pull the look together, applying her decorating philosophy so you can cook & eat, live, sleep and bathe in tune with Modern Vintage Style.
