Shaped by the Story: Discover the Art of Bible Storying Michael Novelli

After ten years in youth ministry, Michael Novelli felt like he had tried everything to help his students connect with the Bible. Then a missionary taught him the art of Bible “storying,” an imaginative way to engage in the scriptures through storytelling, creative reflection, and dialogue. When Michael tried storying, he saw his students discover meaning and identity in the biblical narrative. This approach proved to be both deeply theological and experiential. Michael has invested almost a decade in refining this Bible storying approach, and has found it effective with groups of all ages. Shaped by the Story helps you engage your group with the Bible in a new way.
