Tex: Burnout Series, Book 2 Dahlia West

Abby Raines is leaving Las Vegas. She's trading the glitter and excess of her hometown for the rolling hills and lush forests of Rapid City, South Dakota. She's taken her first real job, and she's determined to succeed on her own.

Mark Marsten traded the Texas range for the Army Rangers years ago and never looked back. Now he's settled permanently in Rapid City with the remaining members of his Special Forces unit. He thought he had it all - well, almost, anyway. Until a sassy redhead with a sharp tongue and body to die for rolled into town.

Mark knows that he's too much for her long-term, but he can't resist a fling with Rapid City's newest resident. He thought that he knew the game. After all, it's his game. And always his rules. But more and more it feels like Abby is the one holding all the cards.
