Traversone (Italian Edition) Guglielmo Bin

In un'epoca a noi più vicina di quanto possiamo pensare, il Campo di Lavoro per la Libertà (noto comunemente come C.L.L.) è il partito-azienda che all'indomani del crollo dell'impero comunista governa e organizza democraticamente il prospero stato peninsulare del Desertico.

Ma dietro la parvenza di libertà, agiatezza e tolleranza della penisola, si cela un'umanità oscura, dolente, incapace di comunicare, schiacciata e resa schiava dal peso ipocrita e banalmente insopportabile di un potere, nella sua più profonda essenza, in tutto e per tutto dittatoriale.

Il protagonista senza nome, in una dimensione malinconicamente ribelle, indefinita, onirica, rievoca la sua storia mosso da un'estrema e libera volontà narratrice, con l'intenzione di riscattarsi da una vita senza significato proprio attraverso il sogno della narrazione.

Una vita amara, stracolma di solitudine e piena di contraddizioni, caratterizzata da un ricorrente senso di inappagamento e dalla sfortuna, anche e soprattutto quando questa si traveste in apparenza da buona sorte.

Una vita in cui il protagonista, colto da una strana e imprevedibile malattia chiamata "logolalia", trova però alcuni momenti di pura gioia e consolazione attraverso il gioco, inteso come ribelle, onnipotente, irripetibile attimo di amore, di vera libertà. Il gioco, affrontato nello sport, nell'amore e persino attraverso folli atti di violenza, diventa così, pur nell'ineluttabilità della sconfitta, il solo modo possibile di rimanere attaccati alla vita. Anche e soprattutto nel finale, quando il protagonista investe sé stesso pur di godere di un'ultima, mistica ed ambigua estasi ludica.

Attraverso una struttura labirintica e circolare, pervasa dalla mescolanza di generi, stili e linguaggio, Traversone intende essere l'opera che malinconicamente canta la straordinarietà irripetibile del gioco, la sola cosa in grado di recidere per un attimo i rapporti con la realtà; la sola cosa capace di stagliarsi, più bella di qualsiasi altra passione, nel grande firmamento della vita.

Devin Glass:

Information is provisions for people to get better life, information today can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is from the former life are challenging to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you find the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take Traversone (Italian Edition) as your daily resource information.

Douglas Ham:

A lot of people always spent their own free time to vacation or go to the outside with them family members or their friend. Do you know? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity this is look different you can read any book. It is really fun for you personally. If you enjoy the book that you just read you can spent the whole day to reading a reserve. The book Traversone (Italian Edition) it is rather good to read. There are a lot of individuals who recommended this book. We were holding enjoying reading this book. When you did not have enough space bringing this book you can buy typically the e-book. You can m0ore quickly to read this book through your smart phone. The price is not to fund but this book features high quality.

Rebecca Farley:

What is your hobby? Have you heard that will question when you got students? We believe that that query was given by teacher with their students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as studying become their hobby. You have to know that reading is very important in addition to book as to be the point. Book is important thing to increase you knowledge, except your own teacher or lecturer. You see good news or update with regards to something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them are these claims Traversone (Italian Edition).
