## Country Mandolin Method Bk Cd Mel Bay

By Bud Orr

This complete study for the beginning to intermediate student presents both solo and back-up techniques including chords, double stops, and scale forms. This method teaches students how to pick out tunes single-string style, how to play chord accompaniment using different strums, and how to play double notes. Basic note reading is also taught. Features gospel melodies, hymns, and rousing fiddle tunes! All the solos in the book are written in the four most popular keys for country and bluegrass music (C, G, D, and A). In notation and tablature. The companion recording is an instructional play-along recording in split-track format.
