**Esta mujer. La utopía posible (Debates) (Spanish Edition)** Juan Montes

Esta Mujer es un relato que permite transitar, desde una mirada novedosa y crítica, las encrucijadas de la lucha por la democratización de la palabra, que desnuda solventemente los trasfondos del conflicto rural, y que atrevidamente describe un escenario donde “tambalean mareados y desorientados” algunos sectores de la izquierda progresista, junto a la mayoría de los partidos de la oposición y los operadores mediáticos. Contradiendo la rigurosidad académica que exige el tratamiento político, el autor desestructura el discurso, profunda y sagazmente, desde una narrativa ágil, coloquial y accesible al lector no especializado.
