Lawless Intent LSD Gonzalez

LSD Gonzales takes readers on a terrifying tour of the streets of North Philadelphia, where the code of the streets rules supreme. Told in such vivid detail and with such gritty and compelling style, it is no wonder that the City of Brotherly Love has called it the most controversial book of 2010. The streets, however, have certified it as a hood classic. Raised by a crack whore, Lil' Bert has a chip on his shoulder and murder in his heart. As the leader of Philly's most dangerous drug gang, The Suicidal Riders, he is determined to keep the city murder rate sky-rocketing to unprecedented proportions. Detective Alberto Ruiz is a man on a mission to find the son he never met, but first he must fulfill a vow he made to himself to help reduce the city murder rate, and Lil' Bert will be his first target. Who will survive the final confrontation? Action-packed drama by an up and coming master. James Hough author of *Get Snitchface* *Lawless Intent* (Murder in the Badlands) presents the reader with something unspeakable, something deeper than revenge with consequences that touch our hearts. John Griffin, author of *A Letter to My Father*
