## **Racist America: Roots, Current Realities, and Future Reparations** Joe R. Feagin

This third edition of Joe R. Feagin's *Racist America* is significantly revised and updated, with an eye toward racism issues arising regularly in our contemporary era. This edition incorporates more than two hundred recent research studies and reports on U.S. racial issues that update and enhance all the last edition's chapters. It expands the discussion and data on concepts such as the white racial frame and systemic racism from research studies by Feagin and his colleagues. The author has further polished the book to make it yet more readable for undergraduates, including eliminating repetitive materials, adding headings and more cross-referencing, and adding new examples, anecdotes, and narratives about contemporary racism.
