Javier Arce

## **Bárbaros y romanos en Hispania (400-507 A.D.) (Estudios) (Spanish Edition) Javier Arce**

Los versos del poema «Esperando a los bárbaros» de Cavafis inspiran a Javier Arce en su estudio sobre el siglo V d.C., uno de los más enigmáticos y peor conocidos de la historia de la Península Ibérica. Fue entonces cuando llegaron y se asentaron en la Hispania romana los llamados «pueblos bárbaros»: suevos, vándalos y alanos. Descrito tradicionalmente como un momento de «invasión», caos y desintegración de las estructuras políticas, sociales, administrativas y económicas romanas, este libro arroja otra mirada sobre dicho periodo. Mediante un meticuloso análisis de la documentación y una relectura de los textos a la luz de una historiografía renovadora, estas páginas demuestran que «los bárbaros» llegados a la Península, más que «acabar con el Imperio romano, sus *villae* o ciudades», lo que perseguían era «integrarse y establecerse en él». Su efecto, en este sentido y a la larga, fue positivo, puesto que revitalizaron y dinamizaron la sociedad hispanorromana, integrándola en el contexto del resto de las provincias del Occidente romano, e incluso conectándola con el Mediterráneo oriental.
