The Living Word Catharose de Petri

Letters ordered in a certain sequence form the written word. But the word only becomes alive, if it is the carrier of a power far exceeding our earthly dimensions - the power of the Gnosis. It has been granted to Catharose de Petri, who has put her entire life in the service of the Spiritual School of the Golden Rosycross, to make her words the herald of that power. That is the reason why the forty-six individual chapters of this book will prove to be an inexhaustible source of power, a truly Living Word, for every seeker yearning for the liberation of the soul.
