Finding Someplace Denise Lewis Patrick

Reesie Boone just knows that thirteen is going to be her best year yet-this will be the year she makes her very first fashion design on her Ma Maw's sewing machine. She'll skip down the streets of New Orleans with her best friends, Ayanna and Orlando, and everyone will look at her in admiration.

But on Reesie's birthday, everything changes. Hurricane Katrina hits her city. Stranded at home alone, Reesie takes refuge with her elderly neighbor, Miss Martine. The waters rise. They escape in a boat. And soon Reesie is reunited with her family. But her journey back home has only begun.

This is a story of a family putting itself back together, and a young girl learning to find herself.
