Social Work in Rural Communities, 5th Edition Leon Ginsberg

This book is the fifth in a series of compendia edited by Leon Ginsberg on modern approaches to social work in rural areas. Rural social workers face special problems related to their work locations, such as professional isolation, lack of supervision, the almost inevitable existence of dual relationships, and the different scale and emphases of life in small communities. This highly readable text offers guidance on these and many other issues. The volume contains 20 all-new chapters by and for rural social work scholars, educators, and practitioners on the cutting-edge subjects of the discipline. Building on the previous editions, the book includes new discussions of specific populations and social problems in rural areas; the difficulties of educating, recruiting, and retaining rural social workers; and also addresses current issues such as technology and diversity in rural areas.

Council on Social Work Education

We are a nonprofit national association representing individual members and graduate and undergraduate programs of professional social work education. Founded in 1952, this partnership of educational and professional institutions, social welfare agencies, and private citizens is recognized by the Council for Higher Education Accreditation as the sole accrediting agency for social work education in this country.

CSWE Press is a niche publisher that addresses the needs of social work educators. Some of our areas of publishing specialty are

- The philosophy, theory, and practice of teaching
- The process and evaluation of learning
- The organization and structure of social work education
- Diversity in all forms in social work practice and education
- Social work in multiple contexts
