The Mermaid's Mirror L. K. Madigan

Lena has lived her whole life near the beach – walking for miles up and down the shore and breathing the salty air, swimming in the cold water, and watching the surfers rule the waves – the problem is, she's spent her whole life just watching.

As her sixteenth birthday approaches, Lena vows she will no longer watch from the sand: she *will* learn to surf.

But her father – a former surfer himself – refuses to allow her to take lessons. After a near drowning in his past, he can't bear to let Lena take up the risky sport.

Yet something lures Lena to the water ... an ancient, powerful magic. One morning Lena catches sight of this magic: a beautiful woman – with a silvery tail.

Nothing will keep Lena from seeking the mermaid, not even the dangerous waves at Magic Crescent Cove.

And soon ... what she sees in the mermaid's mirror will change her life ...

From reader reviews:

Kathleen Elder:

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information that may give you benefit in your life. With book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some investigation before they write to their book. One of them is this The Mermaid's Mirror.

Carissa Taylor:

People live in this new day of lifestyle always attempt to and must have the free time or they will get lot of stress from both daily life and work. So , if we ask do people have spare time, we will say absolutely yes. People is human not a robot. Then we consult again, what kind of activity do you possess when the spare time coming to an individual of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is definitely The Mermaid's Mirror.

Christina McMullen:

You can spend your free time you just read this book this reserve. This The Mermaid's Mirror is simple to deliver you can read it in the area, in the beach, train in addition to soon. If you did not have much space to bring the particular printed book, you can buy the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Hubert Wooten:

What is your hobby? Have you heard this question when you got learners? We believe that that concern was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person such as reading or as examining become their hobby. You should know that reading is very important in addition to book as to be the thing. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You see good news or update concerning something by book. Numerous books that can you go onto be your object. One of them is actually The Mermaid's Mirror.
