Tried and True (Wild at Heart Book #1)

Mary Connealy

Tried and True (Wild at Heart Book #1) Mary Connealy
Saddle up for a wildly fun ride with the Wilde sisters!

Kylie Wilde is the youngest sister--and the most civilized. Her older sisters might be happy dressing in trousers and posing as men, but Kylie has grown her hair long and wears skirts every chance she gets. It's a risk--they are homesteading using the special exemptions they earned serving in the Civil War as "boys"--but Kylie plans to make the most of the years before she can sell her property and return to the luxuries of life back East.

Local land agent Aaron Masterson is fascinated with Kylie from the moment her long hair falls from her cap. But now that he knows her secret, can he in good conscience defraud the U.S. government? And when someone tries to force Kylie off her land, does he have any hope of convincing her that marrying him and settling on the frontier is the better option for her future?

"Connealy spins a Civil War-era romance with book one of the Wild at Heart series. Her feisty female characters win our hearts." -*RT Book Reviews*

"Connealy's view of the Idaho Territory in 1866 is a surprising delight in this inaugural novel of her Wild at Heart romance series . . . The light tale is spiced with both humor and a glimpse into the darker side of the great land rush." - *Publishers Weekly*

Anne Bonk:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Tried and True (Wild at Heart Book #1) can make you experience more interested to read.

Alice Scales:

Reading a guide make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is written or printed or created from each source this filled update of news. On this modern era like currently, many ways to get information are available for an individual.
