Problems Jade Sharma

Dark, raw, and very funny, *Problems* introduces us to Maya, a young woman with a smart mouth, time to kill, and a heroin hobby that isn't much fun anymore. Maya's been able to get by in New York on her wits and a dead-end bookstore job for years, but when her husband leaves her and her favorite professor ends their affair, her barely-calibrated life descends into chaos, and she has to make some choices. Maya's struggle to be alone, to be a woman, and to be thoughtful and imperfect and alive in a world that doesn't really care what happens to her is rendered with dead-eyed clarity and unnerving charm. This book takes every tired trope about addiction and recovery, "likeable" characters, and redemption narratives, and blows them to pieces.

Emily Books is a publishing project and ebook subscription service whose focus is on transgressive writers of the past, present and future, with an emphasis on the writing of women, trans and queer people, writing that blurs genre distinctions and is funny, challenging, and provocative.

Jade Sharma is a writer living in New York. She has an MFA from the New School.

From reader reviews:

Lois Hernandez:

In this 21st hundred years, people become competitive in each way. By being competitive now, people have do something to make all of them survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated that for a while is reading. That's why, by reading a guide your ability to survive enhance then having chance to stand up than other is high. For you who want to start reading any book, we give you this kind of Problems book as starter and daily reading publication. Why, because this book is greater than just a book.

Brandon Macdonald:

Reading a book tends to be new life style in this particular era globalization. With looking at you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the ebooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their ability in writing, they also doing some research before they write for their book. One of them is this Problems.

Jack Jackson:

The particular book Problems has a lot of knowledge on it. So when you read this book you can get a lot of gain. The book was authored by the very famous author. The author makes some research before write this book. This kind of book very easy to read you can obtain the point easily after looking over this book.

Maria Green:

Reading can called mind hangout, why? Because when you find yourself reading a book specially book entitled Problems your head will drift away trough every dimension, wandering in every aspect that maybe not known for but surely might be your mind friends.
