Ghosts of Niagara-on-the-Lake Maria Da Silva, Andrew Hind

Long-dead British soldiers, grieving lovers, an undead priest - Niagara-on-the-Lake's long and colourful history is kept alive by ghosts of its past. Widely considered to be Canada's most haunted community, the town has preserved much of its built heritage, thus providing perfect "haunts" for age-old spirits.

Through historical investigation and engrossing storytelling, the authors have detailed nearly two dozen ghosts. An ageless tavern is home to the spirit of a British officer slain in its basement, a gentlemanly ghost except when encountering Americans; a woman comes face-to-face with a hero from the past while working at one of the nation's most cherished historic landmarks; visitors to Queenston Heights are stalked by phantom soldiers.

Historical research is embedded in every tale in an attempt to establish the line between fact and fantasy. But numerous eyewitness accounts will draw the reader into these unusual and often unnerving stories.
