The Tradition: A New History of Welsh Art Peter Lord

Peter Lord surveys the evolution of the visual culture of Wales from the Renaissance to the end of the twentieth century in this new, single-volume history. Written for everyone with an interest in the art and history of Wales, the volume illustrates some 400 landscapes and portrait paintings, prints and sculptures. The author describes both how the work emerged from its Welsh historical context and was related to the art of other cultures. *The Tradition* is the only study now in print that encompasses the whole field of Welsh visual art.
