Bitter Eden: A Novel Tatamkhulu Afrika

ONE OF *NPR'S* GREAT READS OF 2014

A modern classic being introduced to the United States for the first time, Tatamkhulu Afrika's autobiographical novel illuminating the profound and incomparable bonds forged between prisoners of war.

Bitter Eden is based on Tatamkhulu Afrika's own capture in North Africa and his experiences as a prisoner of war during World War II in Italy and Germany. This frank and beautifully wrought novel deals with three men who must negotiate the emotions that are brought to the surface by the physical closeness of survival in the male-only camps. The complex rituals of camp life and the strange loyalties and deep bonds among the men are heartbreakingly depicted. *Bitter Eden* is a tender, bitter, deeply felt book of lives inexorably changed, and of a war whose ending does not bring peace.
