The history continues in detail through the many wars fought by the Dutch, ending in the joining of Holland and Belgium into a single country. History buffs will enjoy this detailed retelling of the making of a nation.

Irish writer THOMAS COLLEY GRATTAN (1792-1864) was born in Dublin, where he eventually studied law. He is best known for his book *Highways and Byways*, a memoir detailing his trips across continental Europe. He also wrote history books, including one on the United States.
