## **Out on a Ledge: Enduring the Lodz Ghetto, Auschwitz, and Beyond** Eva Libitzky

An account of one woman's uncommon resourcefulness and perseverance, *Out on a Ledge* uncovers some of the secrets of Jewish suffering and survival in the twentieth century. Related in her plainspoken voice, it will be of considerable interest both to scholars and the general public. This book owes much to a recently opened trove of documents on the Holocaust, 150 million pages that were digitized and made accessible to researchers by the United States Holocaust Memorial Museum. Fred Rosenbaum was among an international team of twelve scholars assembled by the USHMM to examine and analyze the archive in the summer of 2009. It revealed a great deal of information about Eva Libitzky and her times. Original documents, including transport lists, medical records, and identity cards will be reproduced in the appendix of this volume.
