Think your teenagers know Jesus? Think again.

For more than two millennia, Jesus has been at the center of pretty much everything, and no one has had a bigger influence on our daily lives than Jesus. Most of us think we have a pretty good handle on who Jesus is and what he did.

But we don't.

Sometimes the people we know the least are the people we're around the most. We take for granted that we know who they really are, because they've always been part of the wallpaper of our life. So we need to be re-introduced to the people and things we think we already know, because we don't really know them as well as we thought!

This highly interactive, visually arresting, chunk-size devotional will help teenagers "reframe" what they think they already know about Jesus, so they can grow in relationship with him.
