When Emilia de Wit ran away to New York City, she planned everything to a T. Plane ticket, purchased. Cute apartment, rented online. Subway map, printed and highlighted. This was no ordinary trip -- this was Emilia's declaration of independence. Her chance to escape the disaster her life has become. To get away from the horrible scandal that has rocked Amsterdam, the scandal that is all her dad's fault. To see if her mom, the glamorous, world-famous artist, will even notice.

New York steals Emilia's heart at first sight -- even though absolutely nothing goes to plan. She didn't plan to end up homeless on a stranger's doorstep. She didn't plan to make friends with Seth, Abby, and Jim. And she could never have known that Hurricane Sandy would be barreling up the coast, straight for the city.

All she wanted was to get away from her parents, her problems, her life... but when the storm hits and the power goes out, Emilia feels farther from home than she could have imagined.
