La incapacidad (Spanish Edition) Daniel Campusano

Rodrigo es hijo de un exiliado político y Antonia, de un empresario dedicado a la fabricación de explosivos. Ambos tienen historias muy distintas y el relato describe cómo, no obstante, logran protegerse mutuamente de culpas de sus respectivos padres: remordimientos que marcaron realidades familiares llenas de tabúes y violencias. La incapacidad es una novela sobre la actual generación veinteañera chilena que descubre y asimila las fracturas sociales ocurridas en los años setenta y ochenta y que hurga en sus temores haciéndose cargo de sus propias fragilidades y experiencias.
