Mike Hoare's Adventures in Africa Mike Hoare

It has been said that Mike Hoare's middle name is Adventure, and his most memorable adventures have occurred in Africa.

Hoare was born in India to Irish parents and educated in England. He emigrated to Africa in 1948 and fell in love with the vast wilderness. Long before he became known as a mercenary leader in the Congo and Seychelles, he was exploring the interior of Africa in search of adventure and knowledge. This book takes you along on some of his most amazing journeys, sailing, trekking, biking and racing against historic floods.

Mike Hoare was fortunate to arrive in Africa at a time when grand adventures (and misadventures) were still possible. As he recounts his forty-plus years in Africa, Hoare shares with the reader his deep reverence for the land and the people who call it home, as well as little-known tidbits of history. Don't miss this opportunity to explore Africa with one of its most adventurous and eloquent scribes.
