Papá en rodaje: La aventura de ser un padre comprometido (Spanish Edition) Rodrigo Toledo

En una sociedad en la que los géneros han tendido a nivelarse hacia una mayor igualdad, presentamos aquí el libro que hacía falta sobre la mirada masculina de ser padre. Y es que ellos también tienen algo que decir respecto a la avalancha de cambios que se les viene encima con la llegada de un hijo y que pueden dejarlos muchas veces estáticos. Papá en rodaje. La aventura de ser un padre comprometido es todo un referente para hombres que se enfrentan a la paternidad por primera vez, ya que narra los desafíos que aparecen durante el embarazo de su pareja y en la primera etapa de la crianza, donde los papás son algo así como actores de reparto y nunca protagonistas, aunque no por eso menos importantes. A pesar de las exigencias, del miedo a ser desplazados y de la pérdida de libertad que pueden atormentar a los hombres en esta nueva etapa, el libro en definitiva nos alerta y recuerda la importancia de saber disfrutar de la paternidad y de esos momentos únicos que no volverán. Una historia que identificará a otros papás primerizos y les servirá de advertencia a quienes se aventuren a serlo.
