Why Elders?: A Biblical and Practical Guide for Church Members Benjamin Merkle

Most works on elders are written for the pastor or church leader, but this volume speaks directly to the church member. Benjamin L. Merkle grounds this study about church elders in the Word of God as he clearly and succinctly informs laypeople of the scriptural qualifications and responsibilities of elders and deacons. Then he implores laity to vote wisely concerning church leadership. Why Elders? assumes the voice of the curious church member who reads the Bible with an eye focused on the early church's organizational structure and asks, "Why did they do it the way they did?" and "How can we follow Scripture's prescription for leadership?"
