Alice Munro

El progreso del amor (Spanish Edition) Alice Munro

Se podría concebir *El progreso del amor* como unas crónicas de nuestro tiempo que, con gran sensibilidad y empatía, nos descubren los aspectos más intrínsecos de la vida cotidiana; toda una revelación de nosotros mismos -los lectores-, nuestras elecciones y nuestras experiencias. En su conjunto, son un tratado del amor, formado por historias íntimas y deslumbrantes que exploran sus distintas facetas -filial, platónico, sexual, parental e imaginario- en las vidas de personajes aparentemente ordinarios. Munro nos habla sobre cómo puede engañarnos la memoria y cómo nuestra percepción puede llegar a distorsionar la realidad. De esta forma empieza a entretener los once relatos sobre el amor, la memoria y la vida que constituyen este volumen.

«Sus personajes son sencillos y es dueña de las mayores sutilezas del alma humana. Historias que acaban siendo grandes tragedias. Es una escritora adictiva.»

Ignacio Martínez de Pisón
