*A door slams shut by itself. The scent of pipe tobacco drifts through an empty room. You hear your name being called, even though you know you're home alone. It seems as if your house is being visited?or invaded?by someone or something, and you're terrified. Is there a logical explanation, or do you have a real-life ghost on your hands?*

There's no reason to live in fear. This friendly beginner's guide offers reassurance and practical advice on identifying, and putting a stop to, any paranormal activity that's creeping you out. Discover how to rule out any earthly explanations for strange phenomena. A comprehensive overview of all kinds of hauntings and ghosts-from harmless family spirits to aggressive poltergeists to malevolent demons-will help you understand and identify your unearthly houseguest. If you still want to banish your ghost, you'll find plenty of simple, effective techniques to get the job done, and guidance on when it might be necessary to call in paranormal experts.

*Is Your House Haunted?* also includes a paranormal FAQ and advice on how to talk to children about ghosts.
