Based on their workshops and counseling experience, psychologists Jane B. Burka and Lenora M. Yuen offer a probing, sensitive, and at times humorous look at a problem that affects everyone: students and scientists, secretaries and executives, homemakers and salespeople. *Procrastination* identifies the reasons we put off tasks—fears of failure, success, control, separation, and attachment—and their roots in our childhood and adult experiences. The authors offer a practical, tested program to overcome procrastination by achieving set goals, managing time, enlisting support, and handling stress. Burka and Yuen even provide tips on living and working with the procrastinators you may know.

Wise, effective, and easy to use, this new edition shows why for 25 years *Procrastination* has been an immediate must-have for anyone who puts things off until tomorrow.
