**From the creator of the popular web series Dharma Comics, an irresistibly clever and uplifting illustrated collection that will delight anyone looking to be a little more inspired.**

When Leah Pearlman found out her father had terminal cancer, the young technologist realized her life was running on autopilot and she was miserable. So she quit her high-powered job at Facebook and started drawing doodles as a way of coping and rediscovering her passion for life. Over 500 drawings later, Dharma Comics has grown into a popular online brand of inspirational comics with more than 50,000 fans. Drawn Together, the first Dharma Comics collection, presents a blend of fan favorites and new, never-before-published comics to warm the hearts of readers everywhere. Featuring over 100 two-color illustrations organized around five universal themes of everyday life, this enlightening and entertaining book reveals the surprising ways we connect with ourselves ("I tell myself the secrets I want to hear"; "Hello, my name is \_\_\_\_\_ and I am a thinkaholic"), with our aspirations and fears ("Having a choice isn't freedom...Making one is"), and with others ("Love: Ready to get messy?"). Witty, heartfelt, and profoundly wise, this is the perfect pick-me-up for anyone looking for a little inspiration, a break from the daily grind, or a tender reminder that, no matter what happens, you're never alone.
