On Haunted Ground: The Green Ghost and Other Spirits of Cemetery Road Lisa Rogers

The true story of a family and its ghosts

Lisa Rogers sensed that the house she bought with her husband Wes came with a ghost. But nothing prepared them for doors slamming on their own, objects flying, and the nightly appearance of a glowing green orb in their bedroom.

The men in the family wouldn't—or couldn't—accept the paranormal activity. While daughter Keshia grew attached to the grandmotherly ghost who taught her not to be afraid of thunderstorms and the Native American spirit who tucked her into bed, her brother Troy wasn't quick to believe in their unearthly guests.

This amazing true story details two decades of terrifying, funny, and heartwarming paranormal encounters—the mischievous entity that imitates the voice of each family member, the spool that “comes to life” to chase the kids, the shocking events that shake Wes and Troy's skepticism—and the enduring love that keeps the family together through it all.
