You Only Live Once: A Lifetime of Experiences for the Explorer in All of Us is not just another bucketlist of big-ticket items. We've all heard about Venice and, yes, it is probably worth going to Italy to see its waterways, but hopefully you'll take away something more from this book: a resolve to live life to the fullest--to add a dash of *joie de vivre* to every day.

Providing suggestions for life's essential experiences for every stage of life, this eclectic gift book is the perfect manual for a life well-lived.

Anyone can sleep in a castle, sail a ship, make a music pilgrimage, and so much more. What all the book's ideas have in common is that they're starting points. They will reignite long-forgotten desires - to learn an instrument or a language - or spark new and unexpected ambitions: why shouldn't you move to Provence for a year?

When you know what's stopping you, you can start working on a solution. Combining stunning photography with illustrations and infographics, it will surprise and entertain with a quirky mix of experiences everyone should try at some point in their life.
