## La sangre y el ámbar (Spanish Edition) David Torres

El autor viaja con su novia polaca a los lugares emblemáticos y las principales ciudades de Polonia; un recorrido por espacios con una carga histórica insostenible y por un país cuyos rasgos de identidad son producto de una memoria traumatizada. La sangre y el ámbar es un espléndido libro sobre la microhistoria, y los destinos individuales, la memoria y el valor del testimonio, los límites de la representación y la identidad europea, y evidentemente, sobre el Holocausto.
