## **Tasteful Nudes: ...and Other Misguided Attempts at Personal Growth and Validation** Dave Hill

"I run into Dave Hill all the time at the coffee shop in our neighborhood. He's always unshaven and badly hungover, with some 16-year-old groupie from Cleveland in tow—and he's just as funny then as he is in *Tasteful Nudes*. He is my idol." —**Malcolm Gladwell**

"Dave Hill speaks, rocks, and now writes with a voice so powerful and funny and compelling that I'm pretty sure he's channeling some weird god from another dimension. Basically, this dude is a comedic Cthulhu, and when you read this book, you will either go COMPLETELY MAD or BECOME A SLAVE TO HIS MAD GENIUS. Pray for the latter." —**John Hodgman**

"This book should affirm Dave Hill's rightful place as a major American humor writer. You will laugh. Buy two and brighten a friend's life as well." —**Dick Cavett**

From the Book Jacket:

Dear ridiculously attractive person who just so happens to be holding *Tasteful Nudes* in his or her soft and supple yet commanding hands,

Hi. My name is Dave, and this is my very first collection of essays. As you can probably imagine, it pretty much has everything. In fact, if you like stories about stolen meat, animal attacks, young love, death, naked people, clergymen, rock 'n' roll, irritable Canadians, and prison, you have just hit a street called Easy because my book talks about all that stuff and a bunch of other stuff, too.

Getting back to that prison thing for a second—I can think of almost no better place to read my book than from within the confines of a correctional facility. For starters, you will definitely have the time. Also, coying up with a good book in front of your fellow inmates is a great way to show them a softer side that for some reason no one ever wants to hear about in the yard.

Fear not, though, non-convicts, my book makes for a solid read outside of prison, too. At the beach, on the subway, while whitewater rafting, during couples counseling, under local anesthesia—I have personally seen to it that my book is totally readable in all these scenarios, as well as in most other scenarios out there today. It will make you laugh, cry, and maybe even think so much that you will forget all your problems while simultaneously creating a few new ones. In limited instances it has been known to cause severe dehydration and the occasional groin pull, but honestly I don't know what that's about. That said, it's probably not a bad idea to keep a glass of water handy and really stretch things out before strapping yourself in for a literary thrill ride you will want to experience again and again until you are either dead or your eyesight fails completely, whichever comes first. In fact, if I end up being wrong about any of this stuff, you can kick me right in the privates. Also, I will send you a nice ham (serves twenty). In short, you really can't lose on this one.

Your man,

Dave Hill
