## Twelve Stories and a Dream

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

#### **Ruth Coleman:**

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Twelve Stories and a Dream can make you feel more interested to read.
