Part of the TotalRecall IT Total Certification Series, this new book with Self Help and Interactive Exam Study Aid on CD-ROM will help you pass the Microsoft MCSA Certification Exam 70-292 your first time, or get money back. Each chapter covers an exam topic in detail, includes a pre- and post-assessment quiz to measure your comprehension of that topic, and concludes with chapter summaries to reinforce learning. The large glossary at the end of the book provides a review of essential exam-related terms and concepts that will prove invaluable just before taking the exam. Helpful tips and time management techniques will alleviate pre-exam jitters and put you in control. Accompanying the book is our exclusive BeachFront Quizzer, Inc. CD-ROM test engine that creates randomized simulated exams drawn from a database of 375 sample exam questions written to mimic the real exam. Answers are conveniently linked to relevant chapters in an eBook version of this manual for further reference, and many explanations are also linked to additional resources, such as web sites, etc. You also get a detailed scoring summary showing test results at the end of each practice exam.

THIS IS BOOK IS GUARANTEED: See details at www.TotalRecallPress.com

Deborah Timmons (MCT, MCSE) came into the Microsoft technical arena after six years in the adaptive technology field, providing technology and training for persons with disabilities. She is President and co-owner of Integrator Systems, Inc., in Ontario, Canada.

Jada Brock-Soldavini (MCSE) lives in suburban Atlanta and works for the State of Georgia as a network services administrator. She has been in the information technology industry for more than seven years and has co-authored or contributed to numerous works about Microsoft Windows technologies.
