Saturday's Child Clare Revell

Aaron Field is a farmer. He's sworn off parties and bonfires, and being more concerned with losing his farm than anything else, he has little time for church. When his field is hired by the church for a Guy Fawkes night bonfire, Aaron is ill prepared for the feisty Welsh woman who steps onto his land and into his heart.

Meaghan Knight is a farmer's daughter. It's her job to make sure the church's bonfire party runs smoothly, and if that means ironing out the kinks in surly Farmer Field then that's what she'll do. When she finds out what's really behind his attitude, she feels ill prepared to face his history, his family, and the danger. As Aaron and Meaghan join forces, they discover an evil so demonic it threatens not only the farm, but their lives, as well. Meaghan knows God can prevail, but first she has to convince Aaron not to give up.
